Cookies

We want to offer you the best possible online experience and use a small text file (cookie) that is stored in the browser of your computer, smartphone, or tablet when you visit our website. A cookie is a file containing an identifier (a string of letters and numbers) that is sent by a web server to a web browser and is stored by the browser. The identifier is then sent back to the server each time the browser requests a page from the server. Cookies may not contain any information that personally identifies a user, but personal data that we store about you may be linked to the information stored in and obtained from cookies. More information about cookies can be found at www.allaboutcookies.org.

The cookies we use are necessary for the technical operation of the website. They ensure that the website works properly and, for example, remembering your preferred settings. By means of cookies we can also see how you use our website, allow us to learn about your visit and how we can make the website more user-friendly. Insofar as cookies that are not strictly necessary for the provision of our website and services, we will ask you to consent to our use of these cookies when you first visit our website. You do not have to allow us to use the Cookies. However, please bear in mind that removing or blocking Cookies can impact your user experience and some functionality may no longer be available.

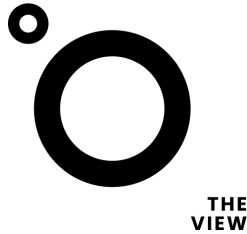

This Cookie Policy is part of our Privacy Policy. For more information about how we protect personal data, please see our Privacy Policy.

Functional cookies (necessary cookies)

We use functional cookies to allow our website to function properly, to create an account and to save information you have already entered such as login information, usernames, languages choices, and your location. These cookies also help us identify suspicious behaviour on our website in order to prevent fraud.

Because functional cookies are necessary for the use of our website, they may be placed without permission.

We use the following functional cookies:

Disable and delete cookies

If you are uncomfortable with the use of non-functional cookies, you can easily turn them off. If you turn them off, you will not be able to use all the features on our website. You can disable and delete cookies via the browser settings of your computer. For example, if you do not want 'Google Analytics' to be used, you can download and install the 'Google Analytics Opt-out Browser add-on' for your web browser. You can download the add-on from the Google site.
